Benefit Description	Fee-For-Service Contract Provider Benefits	Fee-For-Service Non-Contract Provider Benefits
Contract Rate and Allowable Charges	Contract Rate: The amount that the Provider has agreed by contract to accept for the services provided.	Allowable Charges: For Non-Contract Providers, the Allowable Charge is the lesser of the charge billed by the Provider or the maximum amount the Board of Trustees has determined is an appropriate payment for the service(s) rendered. Non-Contract Providers often bill more than the Plan's Allowable Charges. For Non-Contract Providers, the Plan generally pays 60% of the Allowable Charges. You pay 40% of the Allowable Charges and any billed charges over the Plan's Allowable Charge.
Pre-Authorization and Pre-Certification Requirements	<p>Certain services and procedures require pre-authorization from Pacific Health Alliance ("PHA") or pre-certification from Anthem. Inpatient mental health and substance abuse services require pre-authorization from MHN. If you fail to obtain pre-authorization or pre-certification when it is required, the Plan's payment percentage will be reduced by 10%, and you will be responsible for an additional 10% coinsurance.</p> <hr/> <p>→ Inpatient hospitalization (except for emergencies and childbirth) requires pre-certification by Anthem; call (800) 274-7767 prior to your hospitalization. In most cases, your physician's office will arrange for the pre-certification of your hospital stay. For Inpatient mental health and substance abuse, services must be pre-authorized by MHN. For pre-authorization from MHN call: (800) 977-7962.</p> <hr/> <p>→ Outpatient surgeries and procedures, and various other services, require pre-authorization from PHA (855) 754-7271.</p>	
Description of co-payment and Co-insurance	<ul style="list-style-type: none"> • Co-payments are fixed dollar amounts (for example, \$20) that you pay for covered health care; usually at the time you receive the services. • Co-insurance is your share of the costs of a covered service, calculated as a percent of the allowed amount for the services provided. The Plan generally pays a percentage of the medical expenses and you (and not the Plan) are responsible for paying the rest.
