Re: Annual Notices

IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN

The Plan is required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. This Plan is required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN: <http://www.socialsecurity.gov/online/ss-5.pdf>. Applying for a social security number is FREE.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the Fund Office.

ANNUAL NOTICE: WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA)

Federal law requires the Plan to provide you annually with the following notice.

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

This coverage will be provided subject to the same deductibles, coinsurance and/or co-payment provisions applicable to other medical and surgical benefits provided under the Plan.

If you have any questions about whether the Plan covers mastectomies or reconstructive surgery, or would like more information about WHCRA benefits, please contact the Plan Administrator using the information provided at the bottom of this notice.

AVAILABILITY OF HIPAA PRIVACY NOTICE

The California Ironworkers Field Welfare Plan (the "Plan") maintains a HIPAA Privacy Notice that provides information to individuals whose protected health information (PHI) will be used or maintained by the Plan.

If you would like a copy of the Plan's HIPAA Privacy Notice, please contact the Plan Administrator using the information provided at the bottom of this notice.

SPECIAL ENROLLMENT RIGHTS

Loss of Other Coverage Event: If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must **request enrollment within 60 days** after your or your dependents' other coverage ends (or after the employer stops contributing towards the other coverage).

Marriage, Birth, Adoption Event: In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must **request enrollment within 31 days** after the marriage, birth, adoption, or placement for adoption.

Medicaid/CHIP Event: You and your eligible dependents may also enroll in this plan if you (or your dependents):

- have coverage through Medicaid or a State Children's Health Insurance Program (CHIP) and you (or your dependents) lose eligibility for that coverage. However, you must request enrollment within 60 days after the Medicaid or CHIP coverage ends.
- become eligible for a premium assistance program through Medicaid or CHIP. However, you must request enrollment within 60 days after you (or your dependents) are determined to be eligible for such assistance.

To request special enrollment or obtain more information, contact the Fund Office.

MEDICARE NOTICE OF CREDITABLE COVERAGE REMINDER

If you or your eligible dependents are currently Medicare eligible, or will become Medicare eligible during the next 12 months, you need to be sure that you understand whether the prescription drug coverage that you elect under the Medical Plan options available to you are or are not creditable with (as valuable as) Medicare's prescription drug coverage. To find out whether the prescription drug coverage under the medical plan options offered by your employer are or are not creditable you should review the Plan's Medicare Part D Notice of Creditable Coverage available from the Fund Office.

PATIENT PROTECTION RIGHTS OF THE AFFORDABLE CARE ACT

Designation of a Primary Care Provider (PCP):

- **If you are covered under one of the medical HMO Plans, the following applies:** The HMO medical plans generally require the designation of a primary care provider (PCP). You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. Until you make this designation, the HMO may designate one for you. For children, you may designate a pediatrician as the primary care provider. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the HMO.
- **If you are covered under one of the self-funded medical plans, the following applies:** The self-funded medical plans offered by this Fund do not require the selection or designation of a primary care provider (PCP). You have the ability to visit any in-network (or non-network) health care provider; however, payment by the Plan may be less for the use of a non-network provider. To locate an in-network provider, visit www.anthem.com

Regardless of the plan option you have (self-funded or HMO), you also do not need prior authorization from the Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional who specializes in obstetrics or gynecology. The health care professional,

NOTICE REGARDING THE REINFORCING SMART CHOICES PROGRAM

The California Ironworkers Field Welfare Plan Wellness Program is a **voluntary** wellness program available to employees enrolled in the self-funded group health plan. and is designed to **promote health or prevent disease**. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you choose to participate in the Reinforcing Smart Choices Wellness Program, you will be asked to sign a promise commitment to agree to take certain actions to learn about and improve your health. You will be asked to keep your contact information up to date, provide a cell phone number and complete a biometric screening. You are not required to complete the biometric screening. However, employees who choose to participate in the Wellness Program will receive an incentive of lower deductibles, copays and coinsurance for certain services for completing the above required action steps, including the biometric screening. This is a simple blood test to test the level of sugar in your blood, cholesterol, triglycerides and whether you use nicotine. Although you are not required to participate in the biometric screening or work with a health coach, only employees who do so will receive the incentives.

In accordance with federal laws, if your spouse wants to participate in the Reinforcing Smart Choices Wellness Program, they must complete an authorization form before performing the biometric screening.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting the Fund Office.

The results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information

Our group health plan is required by law to maintain the privacy and security of your personally identifiable health information.

Information collected from Wellness Program participants will only be received by your employer in aggregate form. Although the Wellness Program and the Fund may use aggregate information it collects to design a program based on identified health risks in the workplace, our group health plan will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the Wellness Program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the Wellness Program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the Wellness Program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the Wellness Program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the Wellness Program will abide by the same confidentiality requirements. The only individual(s) who

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP) ONLY for Participants who live in one of the States listed in the Chart Below

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2018. Contact your State for more information on eligibility –
