

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact the Trust Fund Office at 1-800-527-4613. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-800-527-4613 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Contract <u>providers</u> : \$250/individual or \$500/family Non-Contract <u>providers</u> : \$500/individual or \$1,500/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Contract <u>providers</u> : office visits (and physician home visits), <u>preventive care</u> , <u>prescription drugs</u> , x-ray & lab (unless performed at hospital), chiro, acupuncture, outpatient <u>rehabilitation services</u> , outpatient <u>habilitation services</u> , office visits for mental health and substance abuse, <u>urgent care</u> , emergency ground ambulance, podiatry exams, hearing exams/aids, <u>hospice services</u> and the supplemental accident benefit are covered before you meet your <u>deductible</u> . Non-Contract <u>providers</u> : emergency ground ambulance, hearing exams/aids, <u>hospice services</u> , and supplemental accident are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	Medical <u>plan</u> contract <u>providers</u> : \$2,000/individual, \$4,000/family. <u>Prescription Drugs</u> In-Network: \$2,000/individual, \$4,000/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why This Matters:
What is not included in the <u>out-of-pocket limit</u> ?	Medical plan: deductible, premiums, balance-billing charges, penalties for failure to obtain <u>preauthorization</u> , skilled nursing facility, charges from Non-Contract providers, charges in excess of benefit maximums (including over MAC amounts), expenses for vision or dental care (if elected), outpatient <u>prescription drugs</u> , and health care this <u>plan</u> doesn't cover. Prescription Drugs: deductible, premiums, balance-billing charges, drugs this <u>plan</u> doesn't cover, charges from <u>Non-Network</u> pharmacies, and medical expenses.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.anthem.com or call 1-800-274-7767 for a list of medical Contract providers. See www.mhn.com or call 1-800-977-7962 for a list of Contract mental health and substance abuse providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
