The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact the Trust Fund Office at 1-800-527-4613. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	Contract <u>providers</u> : \$500/individual or \$1,500/family Non-Contract <u>providers</u> : \$750/individual or \$2,250/family (Interchangeable)	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. Contract <u>providers</u> : <u>preventive care</u> , <u>prescription drugs</u> , acupuncture, chiro, outpatient <u>rehabilitation services</u> , outpatient <u>habilitation services</u> , podiatry exams, hearing exams/aids, <u>hospice services</u> and the supplemental accident benefit are covered before you meet your <u>deductible</u> . Non-Contract <u>providers</u> : hearing exams/ aids, hospice care, and the supplemental accident benefit are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	Medical <u>plan</u> contract <u>providers</u> : \$1,000/individual, \$3,000/family. <u>Prescription Drugs</u> In-Network: \$1,000/individual, \$3,000/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	<b>Medical plan:</b> <u>deductible</u> , <u>premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain <u>preauthorization</u> , <u>skilled nursing facility</u> , charges from Non-Contract <u>providers</u> , charges in excess of benefit maximums (including over MAC amounts), expenses for vision or dental care (if elected), outpatient <u>prescription drugs</u> , and health care this <u>plan</u> doesn't cover. <b>Prescription Drugs:</b> <u>deductible</u> , <u>premiums</u> , <u>balance-billing</u> charges, drugs this <u>plan</u>	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
	doesn't cover, charges from <u>Non-Network</u> pharmacies, and medical expenses.	
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.anthem.com">www.anthem.com</a> or call 1-800-274-7767 for a list of medical Contract <u>providers</u> . See <a href="http://www.mhn.com">www.mhn.com</a> or call 1-800-977-7962 for a list of Contract mental health and substance abuse <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
